New Delhi, August 15 (Language) Indian industry personalities said on Saturday that India's self-reliance will determine how high the country's independence flag will be. He also welcomed the announcement of the National Digital Health Mission by Prime Minister Narendra Modi in his Independence Day speech. Gautam Adani, Chairman of the Adani Group tweeted, "Every Independence Day is a tribute to the millions of martyrs who gave us the freedom to be born in a country full of freedom and opportunity." From now on, our self-sufficiency will determine how high this flag of independence will be. "Welcoming the National Digital Health Mission, Biocon CMD Kiran Mazumdar Shaw said it would give a digital backbone to India's healthcare sector and India's Important for the healthcare sector. Charo Sehgal, partner and healthcare giant Deloitte India, said the mission would play a very important role in taking India's healthcare system to the next level. Modi said in his speech, "Every Indian will be given a health ID. This health ID will serve as the health account of every Indian. "He said that every patient, each disease, test and diagnosis, medical report will be stored in this health ID. Apollo Hospitals Group Chairman Pratap C. Reddy said that overcoming the Corona virus epidemic and non-communicable diseases should be the goal of all of us on this Independence Day. He said that many Indian companies have made significant progress in making the corona virus vaccine and hoped that the
